

April 2, 1987

LB 345

SENATOR ROGERS: May I close then?

SPEAKER BARRETT: You may.

SENATOR ROGERS: Okay.

SPEAKER BARRETT: Are you handling the committee amendment in this case?

SENATOR ROGERS: Yes, yes.

SPEAKER BARRETT: Proceed.

SENATOR ROGERS: There was a couple of things I thought maybe I would like to clear up. One reason why you would be able to buy these programs because the REA as a nation system can put this together at a less costly price than if you would go with some individual operator. And, also, as far as the descrambler, maybe I didn't quite understand Senator Johnson but you can buy that from anyone wherever you choose, wherever you can get the...at whatever price that is the most satisfactory for you, and I would move for the adoption, Mr. Speaker.

SPEAKER BARRETT: Thank you. That constitutes the closing on the committee amendments. Those in favor of the adoption of the committee amendments vote aye, opposed nay. Voting on the committee amendments to LB 345. Have you all voted? Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of committee amendments.

SPEAKER BARRETT: Committee amendments are adopted.

CLERK: I have nothing further on the bill, Mr. President.

SPEAKER BARRETT: Back to the bill as amendment. Senator Lamb, on the bill.

SENATOR LAMB: I would move that the bill be advanced.

SPEAKER BARRETT: The motion is to advance the bill. Any discussion? Seeing none, all in favor of advancing LB 345 to E & R Initial please vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.
